FOR IMMEDIATE RELEASE

Second Street Arts Festival in Downtown Gallup

On Saturday, November 19th from 10am – 4pm GallupARTS will hold its second Annual Second Street Arts Festival. For this holiday kick-off event, we will shut down Second Street from Aztec to Coal in Downtown Gallup and fill the streets with vendors, artists, and live performances from the city and surrounding areas. The spectrum of McKinley County and area artists will have their works on display and for sale. This is a great place to find that very special gift including handmade jewelry, ceramics, quilts, gift baskets, baked goods, home décor, metal arts, photographs and so much that you have been looking for. Local musicians will entertain throughout the day.

Artists interested in participating may find the registration form at galluparts.org or visit ART123 during regular gallery hours.

gallupARTS is a non-profit organization with the mission to foster creativity, culture, commerce and quality of life in Gallup and McKinley County through the arts.
